4.7. BRANDING AND STYLE GUIDES

1. What is Branding?

- Branding is more than just a logo.
- It is the **overall identity, emotions, and experiences** associated with a brand.
- It helps a brand:
  - Differentiate from competitors.
  - Build long-term relationships with customers.
- **Key idea:** A brand is what people say about you when you're not in the room.

2. Key Elements of Branding

Brand Identity: Logo, name, symbols, and visual style.

Brand Positioning: The unique value a brand offers in the market.

Brand Values: Beliefs and principles of the brand.

Brand Voice: Tone and communication style.

Brand Experience: Customer interaction at every touchpoint.

Brand Promise: What the brand consistently delivers.

3. Types of Brands

Product Brand

- Identifies a specific product.
- Example: **Apple iPhone**

Service Brand

- Represents a service provider.
- Example: **Airbnb**

Corporate Brand

- Represents the entire organization.
- Example: **Tata**

Personal Brand

- Builds an individual's reputation.
- Example: **Elon Musk**

4. Branding Process

1. **Research & Analysis:** Understand the market, audience, and competitors.
2. **Define Brand Strategy:**

- Set the vision, mission, values, and positioning.

3. **Create Identity:** Design the logo, colors, typography, and visual style.
4. **Communicate:** Share the brand through multiple channels.
5. **Build & Maintain:** Deliver consistent experiences and evolve over time.

5. Branding Examples

Brand	Key Association
Apple	Simplicity & Innovation
Nike	"Just Do It"
Coca-Cola	Happiness & Togetherness
Spotify	Music for Everyone
Amazon	Convenience & Trust
Google	Knowledge & Innovation

6. Branding Strategies

- **Differentiation** – Stand out from competitors.
- **Consistency** – Maintain a unified message and visual identity.
- **Emotional Connection** – Build trust and create a sense of belonging.
- **Storytelling** – Share the brand's journey, purpose, and values.
- **Customer Engagement** – Interact with and involve the audience.

7. Branding in Action

Branding is experienced through different **touchpoints**:

- **Marketing** – Ads, social media, content.
- **Customer Service** – Support and responsiveness.
- **Digital Presence** – Website, social media, apps.
- **Physical Touchpoints** – Packaging, stores, and experiences.

8. Benefits of Strong Branding

- Increases **brand awareness and recall**.
- Builds **customer trust and loyalty**.
- Creates a **competitive advantage**.
- Supports **higher sales and revenue**.
- Enhances **long-term growth and value**.

Branding

Build Recognition • Create Trust • Inspire Loyalty

Branding is the strategic process of shaping how people perceive a product, service or organization.

1. WHAT IS BRANDING?

Branding is more than just a logo. It is the overall identity, emotions and experiences people associate with a brand. It differentiates you from competitors and builds long-term relationships with your audience.

"A brand is what people say about you when you're not in the room."

2. KEY ELEMENTS OF BRANDING

- **Brand Identity** — Logo, name, symbols, visual style
- **Brand Positioning** — Unique value in the market
- **Brand Values** — Beliefs and principles
- **Brand Voice** — Tone and communication style
- **Brand Experience** — Customer interaction at every touchpoint
- **Brand Promise** — What you deliver consistently

3. TYPES OF BRANDS

- **Product Brand** — Identifies a specific product. (e.g., Apple iPhone)
- **Service Brand** — Represents a service provider. (e.g., Ola, Airbnb)
- **Corporate Brand** — Represents the entire organization. (e.g., Tata)
- **Personal Brand** — Builds an individual's reputation. (e.g., Elon Musk)

4. BRANDING PROCESS

1. **Research & Analysis** — Understand the market, audience and competitors.
2. **Define Brand Strategy** — Set vision, mission, values and positioning.
3. **Create Identity** — Design logo, colors, typography and visual style.
4. **Communicate** — Share the brand through multiple channels.
5. **Build & Maintain** — Deliver consistent experiences and evolve over time.

5. BRANDING EXAMPLES

- **Apple** — Simplicity & Innovation
- **Nike** — Just Do It
- **Coca-Cola** — Happiness & Togetherness
- **Spotify** — Music for Everyone
- **Amazon** — Convenience & Trust
- **Google** — Knowledge & Innovation

Your brand is not just what you sell, it's what people feel.

6. BRANDING STRATEGIES

- **Differentiation** — Stand out from competitors.
- **Consistency** — Maintain a unified message and visual identity.
- **Emotional Connection** — Build trust and create a sense of belonging.
- **Storytelling** — Share your journey, purpose and values.
- **Customer Engagement** — Interact and involve your audience.

7. BRANDING IN ACTION

- **Marketing** — Ads, social media, content
- **Customer Service** — Support, responsiveness
- **Digital Presence** — Website, social media, apps
- **Physical Touchpoints** — Packaging, stores, experiences

8. BENEFITS OF STRONG BRANDING

- Increases brand awareness and recall.
- Builds customer trust and loyalty.
- Creates a competitive advantage.
- Supports higher sales and revenue.
- Enhances long-term growth and value.

Strong Brand = Greater Success

1. Brand Overview

- **Purpose:** Maintain visual consistency and strengthen brand identity.
- **Key Elements:**
  - Logo and mark
  - Typography
  - Color palette
  - UI components
  - Images and icons
  - Tone of voice
- **Brand Personality:** Defines the brand's character and visual language.

2. Logo & Brand Mark

- The logo represents the brand's identity.
- It should be used consistently across all platforms and materials.
- Maintain proper size, spacing, and proportions.
- Do not distort or misuse the logo.

3. Color Palette

Colors define the brand's appearance and personality.

- **Primary Colors:** Main brand colors.
- **Secondary Colors:** Support primary colors.
- **Neutral Colors:** Used for backgrounds and text.
- **Status Colors:** Used to show different states:
  - Green – Success
  - Red – Error
  - Blue – Information
  - Yellow – Warning

4. Typography

Typography refers to the style and appearance of text.

- **Font Family:** The typeface used by the brand.
- **Font Size:** Different sizes for headings and body text.
- **Font Weight:** Bold, regular, light, etc.
- **Text Hierarchy:** Organizes headings, subheadings, and paragraphs.
- Use simple, readable, and consistent fonts.

5. UI Components

UI (User Interface) components are the elements users interact with.

- **Buttons:** Primary and secondary buttons.
- **Forms:** Input fields and selection options.
- **Cards:** Display information in organized sections.

- **Icons:** Small symbols representing actions.
- **Navigation:** Helps users move between pages.

6. Imagery & Icons

- Use high-quality and relevant images.
- Prefer natural and authentic photographs.
- Use illustrations that match the brand concept.
- Maintain consistent icon styles.
- Icons should be simple, clear, and recognizable.

7. Layout & Spacing

- **Grid System:** Organizes content into columns and rows.
- **Spacing Scale:** Maintains consistent gaps and margins.
- **Layout Principles:**
    - Use white space effectively.
    - Keep elements aligned.
    - Maintain visual hierarchy.
    - Ensure responsive design.

8. Tone of Voice & Brand Messaging:

Defines how a brand communicates with users.

- **Tone:** Friendly, professional, simple, or playful.
- **Messaging Guidelines:**
    - Use clear and concise language.
    - Maintain a consistent tone.
    - Avoid complex words.
    - Keep messages positive and understandable.

9. Responsive Design: Responsive design ensures that a website or application works on different screen sizes.

- **Flexible Grids:** Adjust to screen sizes.
- **Scalable Images:** Resize according to devices.
- **Breakpoints:** Define layout changes.
- **Touch-Friendly Elements:** Easy to use on mobile.
- **Testing:** Check designs on different devices.

Style Guides

Build a consistent, recognizable and user-friendly experience

A style guide defines the visual and interaction rules for a product or brand. It ensures consistency across all touchpoints.

1. BRAND OVERVIEW

Purpose
