

# ACADEMIC YEAR 2025-2026

DEPARTMENT OF CSE (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING)

## WORKSHOP ON

### DOCKER AND GRAFANA PROMETHEUS

On **January 30 and 31, 2026**, the Department of Computer Science and Engineering (AI & ML) at Rohini College of Engineering & Technology (RCET) organized a hands-on training program on “**Docker and Grafana Prometheus**” in the CSE (AI & ML) department.

The inauguration ceremony was graced by the presence of **Shri K. Neela Marthandan (Chairman), Dr. N. Neela Vishnu (Pro-Chairman), Dr. V. M. Blessy Geo (Managing Director), and Dr. R. Rajesh (Principal)**, whose leadership and support played a vital role in organizing the event.

The program began with a welcome address by **Ms. K. Karthika, a second-year CSE (AI & ML) student**. This was followed by the chief guest address delivered by **Ms. N. Neelavathi**, also a second-year CSE (AI & ML) student, who emphasized the importance of such hands-on training programs in bridging the gap between academia and industry.

The event was coordinated by **Dr. I. Vallirathi, Associate Professor and Head of the Department of AI & ML, along with Mrs. Anuja R., Assistant Professor and Faculty In-charge**. Their dedicated efforts ensured the smooth and successful execution of the program.

The highlight of the event was the technical session conducted by **Mr. GokulrajSivaraja J, Founder and CEO of ANSHOS Technology**. He led the hands-on training and shared valuable insights into career development and the evolving landscape of Artificial Intelligence and Machine Learning, which greatly inspired and engaged the students.

The event concluded with a vote of thanks delivered by **Ms. Bhavya Sree**, a second-year CSE (AI & ML) student, who expressed sincere gratitude to the management, principal, HOD, faculty members, and non-teaching staff for their support in making the event a grand success.
