The function was graced by the **Honourable Chairman, Respected Pro Chairman, Respected Managing Director, and Respected Principal**, whose continuous support and

encouragement have always motivated the department in achieving academic excellence. The **Principal** delivered the presidential address and inspired the students to actively

participate in association activities to enhance their professional skills and prepare themselves for successful careers in the field of Computer Science and Engineering.

The programme also included the **Installation of the newly elected Office Bearers**, who took charge of leading the association activities for the academic year. The **Head of the Department** welcomed the gathering and encouraged the students to organize innovative technical events, workshops, seminars, coding contests, hackathons, and guest lectures throughout the year. The department expressed its sincere gratitude to the management, Principal, Head of the Department, faculty members, non-teaching staff, student office bearers, and all the students for their wholehearted support and cooperation in making the event a grand success.
