

The Department of Computer Applications joyfully celebrated the **Pongal** on **14th January 2026** in the department premises with the wholehearted support and encouragement of our **Respected Principal Sir, Management, and our beloved HOD Madam and department faculty members**. The celebration was conducted with full enthusiasm and

active participation from both **I and II-year MCA students**, who extended their complete coordination to make the event a memorable one.

The campus was beautifully with Rangoli **kolams**, festive decorations, and traditional Pongal pots, creating a vibrant and welcoming atmosphere. Faculty members, staff, and students eagerly participated in the festivities, dressed in traditional attire, adding colour and charm to the occasion.

Alongside the traditional proceedings, the management also organized **fun-filled games and Traditional game competitions like uriyadithal, kaiyaru illuthal etc...**, which brought joy, laughter, and togetherness among all participants. The active involvement of students in arranging and conducting various events showcased their creativity, teamwork, and dedication.

We extend our heartfelt gratitude to our Honorable Chairman Sir, Respected Pro-Chairman Sir, Managing Director Mam, and Principal Sir for their constant encouragement and valuable support in successfully organizing this celebration. The Pongal celebration not only strengthened the cultural bond within the department but also created wonderful memories for both faculty and students.
