

ASSOCIATION EVENTS 2019-2020

Workshop on 3D modeling in civil structures

A workshop on “3D modeling in civil Structures” was held on 22-01-2020 .The main agendas were the session was to get a idea on 3D modeling in civil Structures. This session was carried out by Mr. A. J. Abass.

Mr. A. J. Abass gave a very good session on 3D modeling in civil Structures which were very useful to a Civil engineer In his session he gave ideas about advance software used in civil engineering and its advantage. Students took active participation by listening and also noting down the important points given by him.

He also spoke about his life experiences and promotes students to explore their areas of interest and domains in which they wish to move forward in their lives. He also explained the scope of this topic in current scenario and update students about latest technologies still developing.

The session was ended with hearty thanks and presenting of a memento to Mr. A. J. Abass by Dr.J.Sahaya Ruben, Head of the civil department in appreciation for taking the time out to educate the students. He thanked the Management for providing the platform to organize workshop. He appreciated the faculty member's students volunteers and participants for the successful conduction of the event.

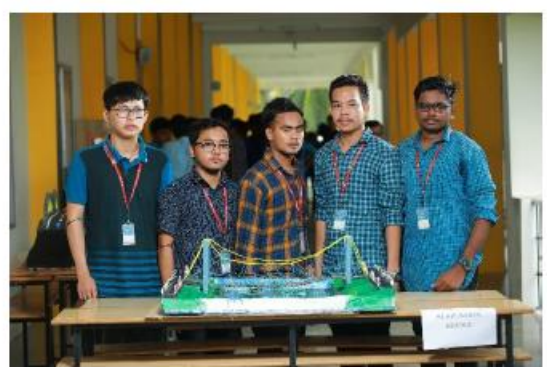

International conference CREATE-19

An International conference hosted by the Department of civil Engineering of Rohini College of Engineering and technology, Palkulam ,Kanyakumari titled “CREATE19” 11-03-2019 & 12-03-2019. The chairman Shri. Neela marthandan, the Pro chairman Dr. N. Neela vishnu, the managing director Dr. Blessy geo, the principal Dr. R. Rajesh who presided over the function. Dr.J.Sahaya Ruben (HOD Department of Civil engineering) Inaugurated the programme..A positive attitude bring success depend upon the outcome of preparation on achieving great things,which tribute efforts and dedication by the faculties and students of the department. Faculties and students from various colleges have participated in this conference. We have total count of 140 students registered.

Build Expo

Our department conducted build expo 2019 on 03-09-2019 students were explore their talent in the model presentation in various stream like Rain water harvesting, water supply, Bridge design, green house, Underground tunnel. Most of our students were involved in the model making activity. From the activity their practical knowledge as well as communication is improved.

A National Level Technical Symposium on Livic'20

A National level technical symposium LIVIC'20 hosted by the Department of civil Engineering of Rohini College of Engineering and Technology, paulkulam,Kanyakumari, titled "LIVIC'22" was held on Friday, the 7th of March 2020. The chairman Shri. Neela marthandan, the Pro chairman Dr. N. Neela vishnu, the managing director Dr. Blessy geo, the principal Dr. R. Rajesh who presided over the function. The Program was coordinated by Mr.R.Rajiv Ganghi, Assistant Professor Civil Department. Dr.J.Sahaya Ruben (HOD Department of Civil engineering) Inaugurated the programme. The chief Mr. Sakthi, Founder healer foundation delivered a wonderful motivational speech for our students.

Students from various colleges have participated in both technical and non technical event. We have total count of 155 students spot registered for different events.The following are the events that were organized as part of the symposium:PaperPresentation,CAD modelling,Technical Quiz,Code cracking,Puzzle hunt,Treasure hunt,Connexions,Photography,Water baloon and also the cultural program was conducted by the civil engineering student. During the valedictory function the Principal distributed the prizes and certificates to winners. Student coordinator presented a report on the entire happenings of the day and the function was finally ended by thanking management, Principal, HOD, Faculites, Non teaching staff, student coordinators and all student who worked for this event to make this event a grand success.

Workshop on Soil stabilization

A workshop on "Soil Stabilization" was held on 24-01-2020. The main agenda of the session was to get an idea on Soil Stabilization. This session was carried out by Dr. Sherlin Prem Nishold, Senior Project Officer, IIT Madras. He gave a very good session on the method of Soil Stabilization which were very useful to a Civil engineer. In his session he gave ideas on soil failure, Soil Stabilization and also its merits and demerits. Students took active participation by listening and also noting down the important points given by him.

The session was ended with a hearty thanks and presenting of a memento to Dr. Sherlin Prem Nishold by Dr. J. Sahaya Ruben, Head of the civil department in appreciation for taking the time out to educate the students. He thanked the Management for providing the platform to organize the workshop. He appreciated the faculty members, students, volunteers and participants for the successful conduction of the event.
