

## **ASSOCIATION EVENTS 2021-2022**

### **A National Level Technical Symposium on Livic'22**

A National level technical symposium LIVIC'22 hosted by the Department of civil Engineering of Rohini College of Engineering and Technology, paulkulam, Kanyakumari, titled "LIVIC'22" was held on Friday, the 1st of April 2022. The chairman Shri. Neela marthandan, the Pro chairman Dr. N. Neela vishnu, the managing director Dr. Blessy geo, the principal Dr. R. Rajesh who presided over the function. The Program was coordinated by Mr.R.Rajiv Ganghi, Assistant Professor Civil Department. Dr.J.Sahaya Ruben (HOD Department of Civil engineering) Inaugurated the programme. Welcome speech was given by Mr.Manoj Singh (IV yr Civil).A positive attitude bring success depend upon the outcome of preparation on achieving great things,which tribute efforts and dedication by the faculties and students of the department. The chief guest for the inauguration, Er.S.Natarajan,Rtd.Spl.Chief Engineer,TNPWD, delivered a wonderful speech for our students and the special guest Dr.J. Prakash Arul Jose,Professor,Pavai college of Engineering ,Namakal and Mr.RajKumar ,Pannel Engineer ,Kanyakumari District also present at the inaugural function. .

Students from various colleges have participated in both technical and non technical event. We have total count of 130 students spot registered for different events.The following are the events that were organized as part of the symposium:PaperPresentation,CAD modelling,Technical Quiz,Code cracking,Puzzle hunt,Treasure hunt,Connexions,Photography,Water baloon and also the cultural program was conducted by the civil engineering student. During the valedictory function the Principal distributed the prizes and certificates to winners. Ms.S.Sruthy(IV yr Civil),Student coordinator presented a report on the entire happenings of the day and the function was finally ended by thanking management, Principal, HOD, Faculites, Non teaching staff, student coordinators and all student who worked for this event to make this event a grand success.

### **SPECTRA 2K22 AND PROJECT EXPO-2022**

Department of Civil Engineering organised SPECTRA 2K22 at Rohini College of Engineering and Technology in Paulkulam, Kanyakumari, on Friday, September 19, 2022. The chairman, Shri. Neela Marthandan, the Pro Chairman Dr. N. Neela Vishnu, the managing director Dr. Blessy Geo, and the principal, Dr. R. Rajesh, presided over the function. The programme was coordinated by Mr. Rajiv Gandhi, Assistant Professor, Civil Department. Dr. J. Sahaya Ruben (HOD Department of Civil Engineering) inaugurated the programme.

Ms. S. Meera Rakshana (IV year civil) gave the welcome speech, and M. Alfina (3rd year) introduced the chief guest. “Future journeys will be designed based on the path you choose today”, said by ‘Lion Er.P. Justin Paul, a real estate valuation expert, former District Governor, Charter Chairman, and Association of Consulting Civil Engineers (India), was the inauguration’s chief guest, and he shared his own experience as well as a recent job opportunity in the civil field. It was a wonderful experience for our students to get information about the civil industries for their future jobs.

The RCET management provides a platform for civil engineering students to explore their talents through Project Expo. The number of the project was kept in the event which was done by the student. The following are the events that were organised as part of the Spectra: The technical events such as paper presentations, CAD modeling, technical quizzes, poster presentations, connections, and games for inter-college students such as team work, landing pads, CD topper, spell-bee, guess the food and the cultural program also conducted. During the valedictory ceremony, the principal awarded prizes and certificates to the winners. The event is hosted by Mr. Akram Khan, A.R., and Ms. Rizwana, final year. Finally, Ms. Thanga Selvi (final year) gave a vote of thanks to

the management, the principal, the HOD, the faculties, the non-teaching staff, the student coordinators, and all the students who worked hard to make this event a success.

## **WORKSHOP ON FORENSIC STRUCTURAL ENGINEERING**

In order to gain good knowledge and betterment in learning skills workshop provides a chance to have to interact and communicate face to face with the experts on a particular subject. By discussing on various topics which are applicable and make the students to the outcome and learn about the latest information and new techniques related to the concerned subjects, this makes the students to secure practical knowledge in enormous. Rohini College of Engineering and Technology promotes periodical workshops for the improvement of the students. Department of Civil Engineering has organized One day Workshop on FORENSIC STRUCTURAL ENGINEERING to II nd year civil department students on 25.03.2022. The chairman Shri. K.Neela marthandan, the Pro chairman Dr. N. Neela Vishnu, the managing director Dr.V.M. Blessy geo, the principal Dr. R. Rajesh presided over the function. The Program was coordinated by Mr.C.Vinoth Kumar, Assistant Professor Civil Department. The resource person was Dr. M.Murugan, Assistant Professor, Government College of Engineering, Tirunelveli.
