

## ACADEMIC YEAR 2019-2020

### TWO DAY WORKSHOP ON PHP AND JSP

The association of Department of Computer Science and Engineering conducted a two day workshop on PHP and JSP on 14th and 15th March 2020. The resource person for this was Mr. S. Gavaskar, Assistant Professor, St. Xavier's Catholic College of Engineering. He has around 2 Years of IT experience, where he worked with various technologies such as SQL Server 2005,MS Access, MySQL, Postgre SQL, Oracle 10g, .Net Framework,VB.Net,C#.NET, ASP.Net, XML Web services, HTML, Java Script ,XML,PHP, IIS 5.0, and Apace Tomcat. A hands on training on PHP and JSP was provided to the students of third years. The guest was honored with a memento. Participation certificates were given to the students.

### TWO DAYS WORKSHOP ON "DATA ANALYTICS AND ARTIFICIAL INTELLIGENCE"

The association of Department of Computer Science Engineering organized two days workshop on "Data Analytics and Artificial Intelligence" for second-year and third-year students.

The workshop was inaugurated in the august presence of board of directors, student's secretary, treasurer. Respected Principal delivered the presidential address. Prof. Sahila Devi, Head, Dept of

CSE welcomed and introduced the chief guest. There were, in total, 100 participants. This was organized with the aim of exploring the future with endless opportunities by upgrading your skills through workshops on emerging technologies.

The expert Mr.Jithin SL, Sr. Solution Architect & practice Lead, Middle East-WIPRO ,headed the technical discussion. The key objective of the discussion was to know the real-world examples where AI has implemented successfully, how technology has been impacting the people working in the respective fields. He encouraged students to do more mini projects using their domain knowledge. This would develop their technical knowledge. Further in his speech, He advised students on Interview Skills, Tips on Resume Building, Professionalism.

Students were given practical training on Data Analytics and AI under the guidance of Mr.Jithin,the guest speaker. Faculty in charges also participated and gained knowledge in AI. The guest was honoured for his unwavering support. Participation certificates were distributed at the end of the event. There was a good feedback received at the end of the programme, as students were able to add another technical skill in their skill set.

## **SPECIAL TECHNICAL TALK ON ARTIFICIAL INTELLIGENCE**

A special Technical Talk was held on 2nd August 2019 organised by Dept. of CSE at Rohini College of Engineering & Technology, Kanyakumari. The main agenda of the session was to get various technic followed in computer field.The gathering was welcomed and Chief guest was introduced by Prof.Sahila Devi ,Head-Dept. of CSE.This session was delivered by Prof.A.K.NAYAK,National Secretary/CSI.He deliberated on Artificial Intelligence; its definition,Applications with real life examples.The event went on interactively.Question and Answer session conducted to know the level of understanding of the student.The event ended up with honouring ,by Prof R.Sahila Devi.Head -Dept of CSE.Students Cooperation and Support made this event successfull.

### **A SPECIAL LECTURE ON “PERSONALITY DEVELOPMENT”**

A special Lecture on “Personality Development” was organised by Dept of CSE on 30th July 2019 at our campus. The main agenda of the session was to get some tips to develop personality. This session was delivered by Dr.WILFRED BLESSING N.R, IT DEPARTMENT, SAALAH COLLEGE OF TECHNOLOGY, SALALAH, OMAN.

Later he was honoured by HOD Prof.R.Sahila Devi with Memento.

## **GUEST LECTURE ON “RECENT TRENDS IN COMPUTER SCIENCE AND ENGINEERING”**

A Guest Lecture on “RECENT TRENDS IN COMPUTER SCIENCE AND ENGINEERING” was delivered by MR.JERWIN ROY,Senior Database Administrator, Mafiree Info.Tech&services . The event held on 1st July 2019 at Rohini College of Engineering & Technology, Kanyakumari, was attended by the faculty and UG students of the CSE department. The main agenda of the session was to get a complete idea on IT Field.

**The Itinerary for the day was as follows:**

- Artificial Intelligence
- Machine Learning
- Cryptocurrencies and Blockchains
- Internet Of Things (IOT)

The lecture was very interactive in which the students actively took part to enhance their knowledge. The session ended with a hearty thanks for sharing the knowledge on Recent trends in IT field and presenting a memento to MR. JERWIN ROY by the department Head, Prof.R.Sahila Devi. This was very fruitful lecture on the topic. Finally, the resource person thanked the Management for providing the platform to organize the program. He appreciated the faculty members, students and association coordinators for the successful conduction of the event.

# A National Level Technical Symposium

## CYBORGZER-2020

**ROHINI**  
COLLEGE OF ENGINEERING AND TECHNOLOGY

DEPARTMENT OF COMPUTER SCIENCE  
AND ENGINEERING

*proudly presents*

### CYBORGZER'20

A NATIONAL LEVEL  
TECHNICAL SYMPOSIUM

24<sup>th</sup> & 25<sup>th</sup>  
June  
2020

**EVENTS**

**Technical Events**  
Paper Presentation  
Poster Presentation  
Web Designing  
Debugging  
Pros & Cons

**Non Technical Events**  
Fun Quiz  
Boss Baby  
Photography  
Meme Creation  
PUBG

**Chief Guests**

Mrs. Fathima Shehna Mohamed  
Lead Engineer QA,  
QUEST GLOBAL Pvt. Ltd.

Mrs. M. Shaira Nooh  
Senior QA Engineer,  
QBurst Technologies.

**Chief Patron**  
**Shri. K. Neela Marthandan**  
Chairman, Rohini Groups.

**Patron**  
**Dr.N. Neela Vishnu**  
Managing Director, RCET.  
**Dr.V.M. Blessy Geo**  
Chief Financial Officer, RCET.  
**Dr.R.Rajesh**  
Principal, RCET.

**Organising Committee**

**Staff Coordinators**  
Mrs. R. Sahifa Devi, BOD/CSE  
Mr. I. Siva Prasad, AP/CSE  
Mrs. R. Anuja, AP/CSE : 9894701203  
Mr. S. Ashok, AP/CSE : 9677316916

**Student Coordinators**  
Mr. Akhil Ravi  
Ms. Deepa Ananthi  
Mr. Gibin  
Ms. Anusha C  
Mr. Sudhesh  
Ms. Kumari Bhagavathi Devi
