

A NATIONAL LEVEL TECHNICAL SYMPOSIUM 'CAZIL22' ORGANIZED BY THE DEPARTMENT OF CSE

A National level technical symposium CAZIL'22 hosted by the Department of Computer Science and Engineering of Rohini College of Engineering and Technology, Paulkulam, Kanyakumari. "CAZIL'22" was held on Friday (08/04/2022). The chairman Shri. Neela marthandan, the Pro chairman Dr. N. Neela vishnu, the managing director Dr. Blessy geo, the principal Dr. R. Rajesh who presided over the function. The Program was coordinated by Mrs.R.Sahila Devi (HOD, Department of CSE), Mr. I. Sivaprasad Manivanan, Assistant Professor CSE department Inaugurated the programme. Welcome speech was given by Ms. J. Pooja (III yr CSE). A positive attitude bring success depend upon the outcome of preparation on achieving great things, which tribute efforts and dedication by the faculties and students of the department. The chief guest for the inauguration, Er.R. Manikanda Kumaran, Principal Engineer, EPICR, delivered a wonderful speech for our students.

Students from various colleges have participated in both technical and non-technical event. We have total count of 400 students spot registered for different events. The following are the events that were organized as part of the symposium: Paper Presentation, Debugging, Finding Components, Quiz, Software Marketing, Roll and dice, Web page design, Poster design, Jumbled code, Photography, Connection, Nail art, Paper craft, Paper dance. Dance, Balloon pyramid, Chit chat, Treasure Hunt, Tumbling tower and also the cultural program was conducted by the CSE student.

During the valedictory function the principal distributed the prizes and certificates to winners. Mr. R. Sudar (IV yr CSE), Student coordinator presented a report on the entire happenings of the day and the function was finally ended by thanking management, Principal, HOD, Faculties, Non-teaching staff, student coordinators and all student who worked for this event to make this event a grand success.

WORKSHOP ON LINUX PROGRAMMING ORGANIZED BY THE DEPARTMENT OF CSE

Workshops are the opportunities to the students to learn from different environment than classrooms. This benefits the students to get practical knowledge more effectively. Rohini College of Engineering and Technology Promotes periodical workshops to the betterment of students.

The association of Department of Computer science and Engineering has organized a Two days Workshop on Linux Programming on 24.03.2022 and 25.03.2022. The Program was coordinated by Mr.I.Siva Prasad Manivannan, Assistant Professor CSE Department, and Mrs.A.Haseena Beevi, Assistant Professor,CSE Department. The resource person was Ms.Jeba Sangeetha Nadar, Professor, Thakur College of Science, Mumbai. Mrs.R.Sahila Devi, HOD of CSE Department have inaugurated the program with the welcome Speech. Mrs.A.Haseena Beevi, Assistant Professor, CSE Department have introduced the chief guest to the participants.

Our Honorable Principal Dr.R.Rajesh gave the presidential Address. Students got hands-on training on Linux Programming.

WEBINAR ON CYBER SECURITY THREATS ORGANIZED BY THE DEPARTMENT OF CSE

Rohini College of Engineering and Technology promotes technical events to enable students to shine in their academic pursuit, making them sensitive to the needs of the progressive industrial world.

The association of Department of Computer science and Engineering has organized a Webinar on Cyber Security threats on 15.03.2022. The Program was coordinated by Dr.A.Lourdes Mary, Assistant Professor CSE Department, Mrs.R.Meenakshiammal, Assistant Professor,CSE and Mrs.A.Haseena Beevi, Assistant Professor,CSE. The resource person was Dr.T.Mano Paul, Associate Professor, CSE Department, Alliance University, Bangalore. Mrs.R.Sahila Devi, HOD of CSE Department have inaugurated the program with the welcome Speech. Mrs.A.Haseena Beevi, Assistant Professor, CSE Department have introduced the chief guest to the participants.

Our Honorable Principal Dr.R.Rajesh gave the presidential Address and he had given the motivational speech to the students about the need of cyber security in confidential real world transactions. The resource person explained about the techniques and algorithms used to prevent cyber security threats and interacted with the students to clarify their doubts.

Rohini College of Engineering and Technology endeavors to provide education and training of consistently high standards through innovative and versatile programmes suitable for the current and emerging needs of the Industry.

The association of Department of Computer science and Engineering has organized and conducted a virtual one-day technical seminar on Applications of Python and its career opportunities. The Program was facilitated by ICTACT Academic Alliance and coordinated by Dr.K.Ramanan, Professor ,CSE Department. The resource person was Mr.Raj Kumar, Senior Systems Engineer, Infosys Ltd.

Our Honorable Principal Dr.R.Rajesh presided the program. The eminent resource person explained about python application development with some real time demo examples and discussed about the current trends and opportunities of python in the industries.

SEMINAR ON INDUSTRIAL INTERNET OF THINGS AND INDUSTRY 4.0 ORGANIZED BY THE DEPARTMENT OF CSE

Rohini College of Engineering and Technology endeavors to produce graduates of international distinction, committed to integrity, professionalism and lifelong learning by widening their knowledge.

The association of Department of Computer science and Engineering has organized a seminar on Industrial Internet of Things and Industry 4.0 on 14.03.2022. The Program was coordinated by Dr.A.Lourdes Mary, Assistant Professor CSE Department. The resource person was Dr.T.Subbu Lakshmi, Information Technology Department, Francis Xavier Engineering College, Tirunelveli. Mrs.R.Sahila Devi, HOD of CSE Department have inaugurated the program with the welcome Speech. Mrs.A.Haseena Beevi, Assistant Professor, CSE Department have introduced the chief guest to the participants.

Our Honorable Principal Dr.R.Rajesh presided the program. The eminent resource person explained about Industrial Internet of Things and its applications in real world. She motivated the students to do projects in IOT and discussed about the techniques used in Industry 4.0 standards.
