

Green Campus Initiatives

ROHINI
COLLEGE OF ENGINEERING & TECHNOLOGY

Approved by AICTE and Affiliated to Anna University, (An ISO Certified Institution)

POLICY STATMENT

Rohini College of Engineering and Technology had a green campus initiatives policy to conserve the green resources.

- Create green and eco-friendly environment and to promote sustainable environment to preserve the natural resources.
- Educate and engage the staff and students towards green environmental concern.
- Use of alternative energy systems such as solar energy, biogas plant, sensor-based energy conservation and the use of LED bulbs/power-efficient equipment towards energy audit practice
- Ensure proper utilization of resources available in the surrounding areas towards welfare of the community in future
- Pollution free environment through the restricted entry of automobiles, use of bicycles/battery-powered vehicles, pedestrian-friendly pathways, ban on the use of plastics and landscaping with trees and plants.
- Water conservation through rainwater harvesting, water irrigation system, bore well recharge, water reservoir facility and construction of tanks and bonds.
