CHAIRMAN'S MESSAGE

We are extremely happy to know that the department of Computer Science and Engineering is bringing out their department newsletter during this year. In addition to the numerous achievements of their department this is yet another milestone in their curricular and co-curricular activities. I hope this newsletter will bring creative talents of the students of the institutes. On this occasion, I convey my good wishes to the faculty and students of the Computer Science department in their endeavors.

PRINCIPAL'S MESSAGE

It is my pleasure to congratulate the editorial board on this pleasant occasion of releasing the newsletter for the period June to March 2017 - 2018. It is great to find a considerable number of winners and participants in co-curricular and extracurricular activities which certainly prove that our staff and students are adequately equipped and possess necessary quality skill-sets to bring such laurels to the institution. I wish that this number may grow in the years to come. I am sure that publishing a newsletter of this sort containing the achievements of the Department of Computer Science and Engineering will be a recognition to them. I wish them all the very best for future
